## **BUSINESS UPDATE**

### **Order Book position**

- At the end of the quarter (30<sup>th</sup> June 2014), the order book stood at 851K MT (Rs. 54 billion).
- The current pipe order book position (as on 5<sup>th</sup> August 2014) stands at around 993K MT (Rs. 64 billion).
- During the period between 1<sup>st</sup> April 2014 and 5<sup>th</sup> August 2014, the company has won orders of around 300K MT out of which about 130K MT of orders are from the US market, indicating a pickup in ordering activity in that region.

### **Business Outlook**

- The line pipe business is showing visible signs of a significant revival.
- The North American and Latin American pipeline is quite strong with several projects already announced and several more in the pipeline.
- Middle East continues to be robust with demand from Saudi Arabia, UAE and Iraq. Europe also continues to be strong.
- With the new government's focus on pipelines, ordering activity is expected to pick up in India as well in the medium term. As indicated in the Union Budget 2014-15, the government has plans of doubling the pipeline network in the country by developing 15,000 kms of pipelines to add to the existing network.

### **Management comments**

Commenting on the results, Mr. B. K. Goenka, Chairman, Welspun Corp said, "While the business environment has been challenging affecting realisation and profitability, we are seeing strong signs of a pickup in ordering activity across geographies, especially the Americas and India. We have a strong order book of close to 1 million tonnes. In addition, we have bids outstanding of close to 6 million tonnes with another 4 million tonnes of bids coming up in the near term. Looking at the current environment, we strongly believe that good days are ahead of us."
