Press Release

Welspun Corp ranks among top 10 steel companies globally in S&P Global's CSA rankings

~ The Company achieved a total ESG score of 72 across all key parameters, a 6 per cent increase from its previous score of 68.

Mumbai, March 25, 2025: Welspun Corp Limited, a flagship company of Welspun World, a conglomerate with Complete Pipe solutions and Building Material business verticals, and one of the largest manufacturers of large diameter line pipes globally, is now ranked amongst the top 10 companies in the Steel sector in S&P Global Corporate Sustainability Assessment.

Welspun Corp Ltd is ranked 6th among steel companies globally as per S&P Global CSA*. The Company achieved a total ESG score of 72 across all key parameters, a 6 percent increase from its previous score of 68. The Company attributes these accolades to its environmental commitments towards achieving carbon & water neutrality by 2040, a strong focus on Social and Governance aspects, and its transparent disclosures.

"Welspun Corp is a leading manufacturer in the pipe solutions and building materials industry, and has set ambitious sustainability goals aligned with global environmental standards and India's commitment to reducing carbon emissions. Welspun Corp focuses on integrating sustainable practices across its operations, aiming to minimize its environmental impact. While ensuring long-term business growth, we intend to replace our non-renewable energy consumptions with green energy," says **Mr Vipul Mathur, MD & CEO, Welspun Corp Ltd.**

The S&P Global CSA is an annual evaluation of companies' sustainability practices. It covers over 10,000 companies from around the world. The CSA focuses on sustainability criteria that are both industry-specific and financially material and has been doing so since 1999.

About Welspun Corp Ltd

Welspun Corp Ltd (WCL) is the flagship company of Welspun World, with a diverse business portfolio in pipe solutions and building materials. WCL is among the top three manufacturers of large-diameter pipes globally and has established a global footprint across six continents and 50+ countries by delivering key customized solutions for both onshore and offshore applications. In the Pipes Solutions vertical, WCL also manufactures Ductile Iron (DI) Pipes and Stainless Steel Pipes, Tubes & Bars.

In the Building Materials vertical, Welspun Corp has augmented its portfolio by acquiring Sintex-BAPL, a market leader in water storage tanks and plastic products. WCL also manufactures TMT rebars under the brand name of Welspun Shield, an integral component in building and infrastructure industry.

The company has state-of-the-art manufacturing facilities in Anjar (Gujarat), Bhopal (Madhya Pradesh), Mandya (Karnataka) and Jhagadia (Gujarat) in India, with another 6 manufacturing facilities for its Sintex business. Overseas, WCL has a manufacturing presence in Little Rock, Arkansas, USA and Dammam, KSA.
