-------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------

Dear Sirs/ Madam,

**Sub: Disclosure of information pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.**

We are pleased to announce upsizing of an existing coated spiral pipe order from 36” to 42” for our Little Rock facility in USA. With this upsizing, the overall value of the order has gone up by Rs 735 Crore (Approx).

With this, the Company's consolidated order book stands at approx. Rs. 19,000 Crores.

Execution of these orders will be largely during FY26 and FY27.

These wins continue to reinforce our leading and dominant market share in the USA O&G transmission space. Our outlook for the USA market continues to remain positive for next few years and Welspun is fully poised to benefit from more opportunities in the time to come.

The above is in compliance with Regulation 30 of the Listing Regulations and the Company's Code of Practices and Procedure for Fair Disclosure of Unpublished Price Sensitive Information.

Kindly take the same on record.

Thanking you.

Yours faithfully,  
For **Welspun Corp Limited**

**Kamal Rathi**
