Dear Sirs/ Madam,

Subject: Disclosure of information pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Welspun Corp Ltd. (WCL) - a flagship company of the Welspun Group, is amongst the leading welded line pipe manufacturing companies in the world. Recently we have initiated our planned foray in Ductile Iron Pipes business by setting up of a greenfield plant in Anjar. Also, our Board has approved proposed demerger of Welspun Steel Ltd's Steel undertaking with WCL, thus heralding our entry in Steel TMT bars and in Seamless Stainless Steel Pipes.

In view of the above growth plans and to bring a sharp focus, we have decided to create 2 independent verticals - pipe & steel

Steel Vertical: This will comprise of our DI business through our subsidiaries WML and WDI. Along with that, the TMT bars would become part of our “**Steel Vertical**”.

Pipe Vertical: Our global pipe operations have now converged into a “**Pipe Vertical**” which would be headed by a Chief Executive Officer (CEO - Pipe Vertical). This position will be accountable for end-to-end Marketing, Operations, Supply Chain, Finance, Commercial and HR functions of the pipe business across all geographies including USA and also represent our interests in Saudi JV (through Ex-Com).
